Arquivo: <b>01/02</b>	

A hand-drawn compass rose diagram. It features a central circle with a horizontal line through its center. From the left side of this line, a long black ray extends upwards and to the right, labeled with a capital 'S' at its origin. From the right side of the line, another long black ray extends upwards and to the left, labeled with a capital 'N' at its origin. Between these two rays, there are two shorter black rays forming an angle. The upper ray is labeled with a lowercase 'e' and the lower ray with a lowercase 'w'. The entire drawing is done in black ink on a white background.
